Performance	Please contact info@tapetex.com for more detailed test reports.
Surface finish	A stain repellent finish prevents waterbased splashes penetrating and staining the material. Periodic vacuuming is recommended to prevent dust from building up on the materials surface.
Lightfastness	Test result as per ISO 105-B02:2014, Heraeus original Hanau Xenotest.
LRV values	Testing as per BS 8493:2008+A1:2010, Datacolor DC500.
Fire rating	ASTM E84 Class 1 or A and EUROCLASS (B s2 d0).
Permeability rating	Test result 41 as per ASTM E96-12, Method B, Water Vapor Transmission.
Indoor air quality	ASTM D6196 and D5197, Environmental Chamber Test. The testing followed UL 2821 "Greenguard Certification Program Method for Measuring and Evaluating Chemical Emissions".
REACH SVHC	Compliant as per Centexbel testing.

Treated with a stain repellent finish

Lightfastness: as per ISO 105-B02:2014 Xenotest

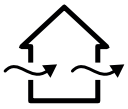

Light reflection: as per BS 8493: 2008+A1:2010 Datacolor DC500

Fire resistant: EU: B, s2-d0 US: ASTM E84 Class 1 or A

Permeability rating: 41, as per ASTM E96-12 Method B

Indoor air quality: ASTM D6196 and D5197

Sustainability
All materials in this collection come from either 100% renewable natural sources or recycled fibers, ensuring a sustainable approach.
The backing is FSC certified, FSC A000531.
In production, all energy sources are either green, wind or hydro based and all processes are waterbased. The products do not contain PVC, chlorine, plasticizers, heavy metals or harmful dyes.

Supply and packing
Delivery from stock by the full linear meter or full linear yard. The average piece length of this quality is approx. 40 linear meter or 44 linear yards. However, as is common within the textile industry, it is not possible to establish a standard roll length. The wallcovering is reeled on to a cardboard core, wrapped in polyethylene and protective end caps are fixed. Each roll is then packed in individual cardboard boxes or tubes, which are also made out of FSC certified woodpulp.

Harmonized System as per the World Customs Organization and Origin
Textile Wallcovering, paper backed: 5905.00. Made in the Netherlands.

CE EN 15102

Hanging details

Hanging	Random. Precision trimmed for butt-joining by professional paper hangers. Installation advice supplied with every roll. Use rubber roller instead of spatula. Direction of hanging is printed on back of wallcovering.
Adhesive	Use a premixed heavy duty, clear vinyl adhesive, suitable for textile wallcovering.
Variation	There can be a variation between sample material and finished product. Stock cuttings are available for approval.

Precision trimmed

Sold by the metre/yard

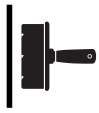

Direction of hanging

Use a rubber roller

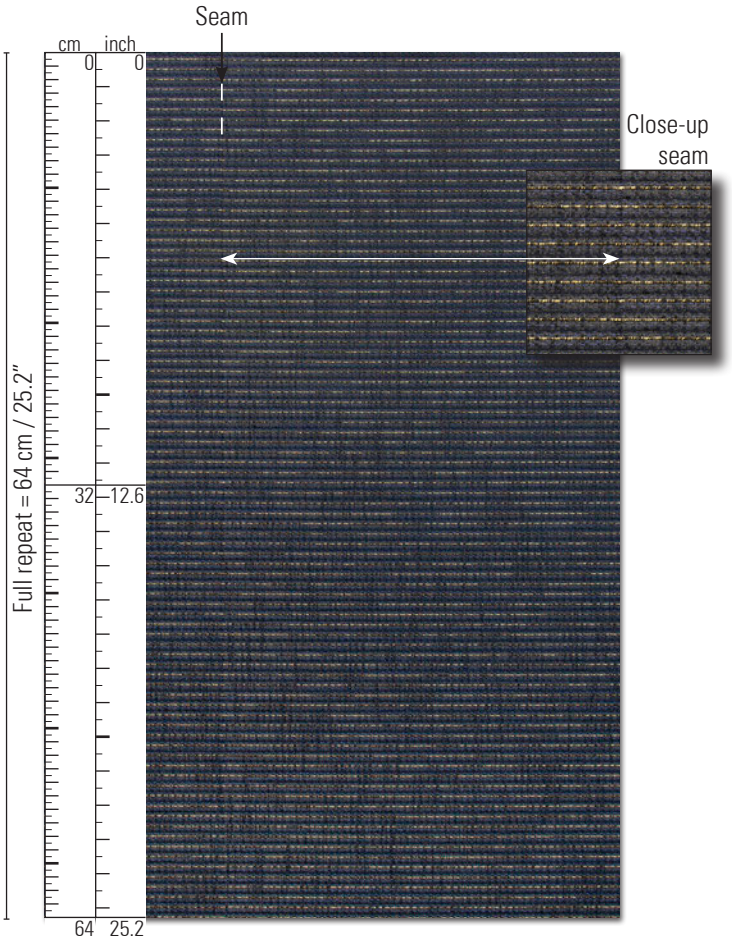

Don't use a spatula

Apply adhesive on the wall

View

"Nostalgic"

Inspired by the refined elegance of classic tweed, Eldor captures a romantic and nostalgic spirit, radiating a timeless allure. Its rich, textured weave grabs attention with its lustrous yarn, catching light in a soft, nuanced way which creates depth and dimension.
Eldor is an invitation to indulge in luxury while embracing the reminiscent charm of a bygone era. It is a tribute to the past, where whispers in shades of gold and amber compose a gentle melody that lingers long after it fades.
